PRELIMINARY AMENDMENT

Commissioner for Patents  
Washington, DC 20231

Sir:

In response to the Office Action dated April 9, 2001, finally rejecting the claims in the above-identified application, Applicants are filing herewith a Continued Prosecution Application (CPA). Please enter the instant amendment prior to reconsideration of the application.

IN THE CLAIMS:

Please replace claims 1, 7, 12 and 13 with the following clean copy of said amended claims. A marked-up version of the amended claims is appended hereto.

B1

1.(Twice Amended) A method for modifying the surface of an aromatic polyester resin, film, fiber, yarn or fabric comprising treating said polyester with a polyesterase enzyme for a time and under conditions to modify the properties of said polyester, wherein said treatment occurs prior to the application of a finish and said modified properties of said treated polyester are selected from the group consisting of pilling, prilling prevention, weight, feel, appearance and luster properties of said polyester.
